OFFICE OF LEGISLATIVE COUNSEL

Thursday - 3 February 1972

1. (Internal Use Only - PLC) I called Mr. Paul Tsompanas, Administrative Assistant to Representative Bob Wilson (R., Calif.), in response to his request that a senior Agency official brief an informal group of Administrative Assistants to 15 Republican representatives. I informed Mr. Tsompanas that Mr. Maury would be most happy to brief the group. Mr. Tsompanas was very appreciative and stated he would explore this with his group and call me back when positive arrangements can be made.

2. (Internal Use Only - LLM) Called Mary Ann Coursey, in the office of Senator John Tower (R., Tex.), and closed out an inquiry they had on a former Agency employee [REDACTED] Miss Coursey said that 25X1 nothing further was required from us for the time being and that we had "done more than enough."

25X1 3. (Confidential - LLM) Jay Sourwine, Chief Counsel, Senate Internal Security Subcommittee, called and said he was being pushed hard on the removal of the Secret injunction on the transcript involving [REDACTED] 25X1 [REDACTED] I told him we would get in touch with him on the status of our review no later than Monday (see Memorandum for the Record).

4. (Unclassified - LLM) Miss Lawton, in the office of Speaker Albert, called on behalf of a high school principal who is interested in CIA employment in the field of student activists on U.S. campuses. I explained that this was completely out of our line by law, which she seemed to appreciate, and we agreed to send her material on the Agency for forwarding to the constituent if he is interested in fields not involving internal security.
